To Our Valued Supporters - as our community continues to report signs of recovery, we at Make a Difference Outdoors have decided to move forward with our in-person fundraising event for 2021. We, like many Americans, have decided that it is time to get back to the business of living. We believe it's time to flip the switch and move on, but we'll need to do some things differently. There will be a few changes instituted that are meant to keep our event as safe as can be expected for a large gathering of people.

- Attendance will be limited to 50% to allow for social distancing.
- Ticket sales will be limited to full tables only. Individual tickets will not be sold this year.
- We ask that all attendees consent to a contactless temperature scan prior to entry.

We don't intend to violate our attendees' personal decisions or their civil rights as Americans, and hope that our attendees remain mindful of social distancing protocols when around others they may not know. We want to be sure everyone is safe and having a good time!
