

Johnny and Jenny

Happy to be who
God made us

Christian Thomas

This is Johnny.

Hi!

He has a dog named Spot.

Johnny named his dog Spot because he has a spot on his back.

This is Jenny.

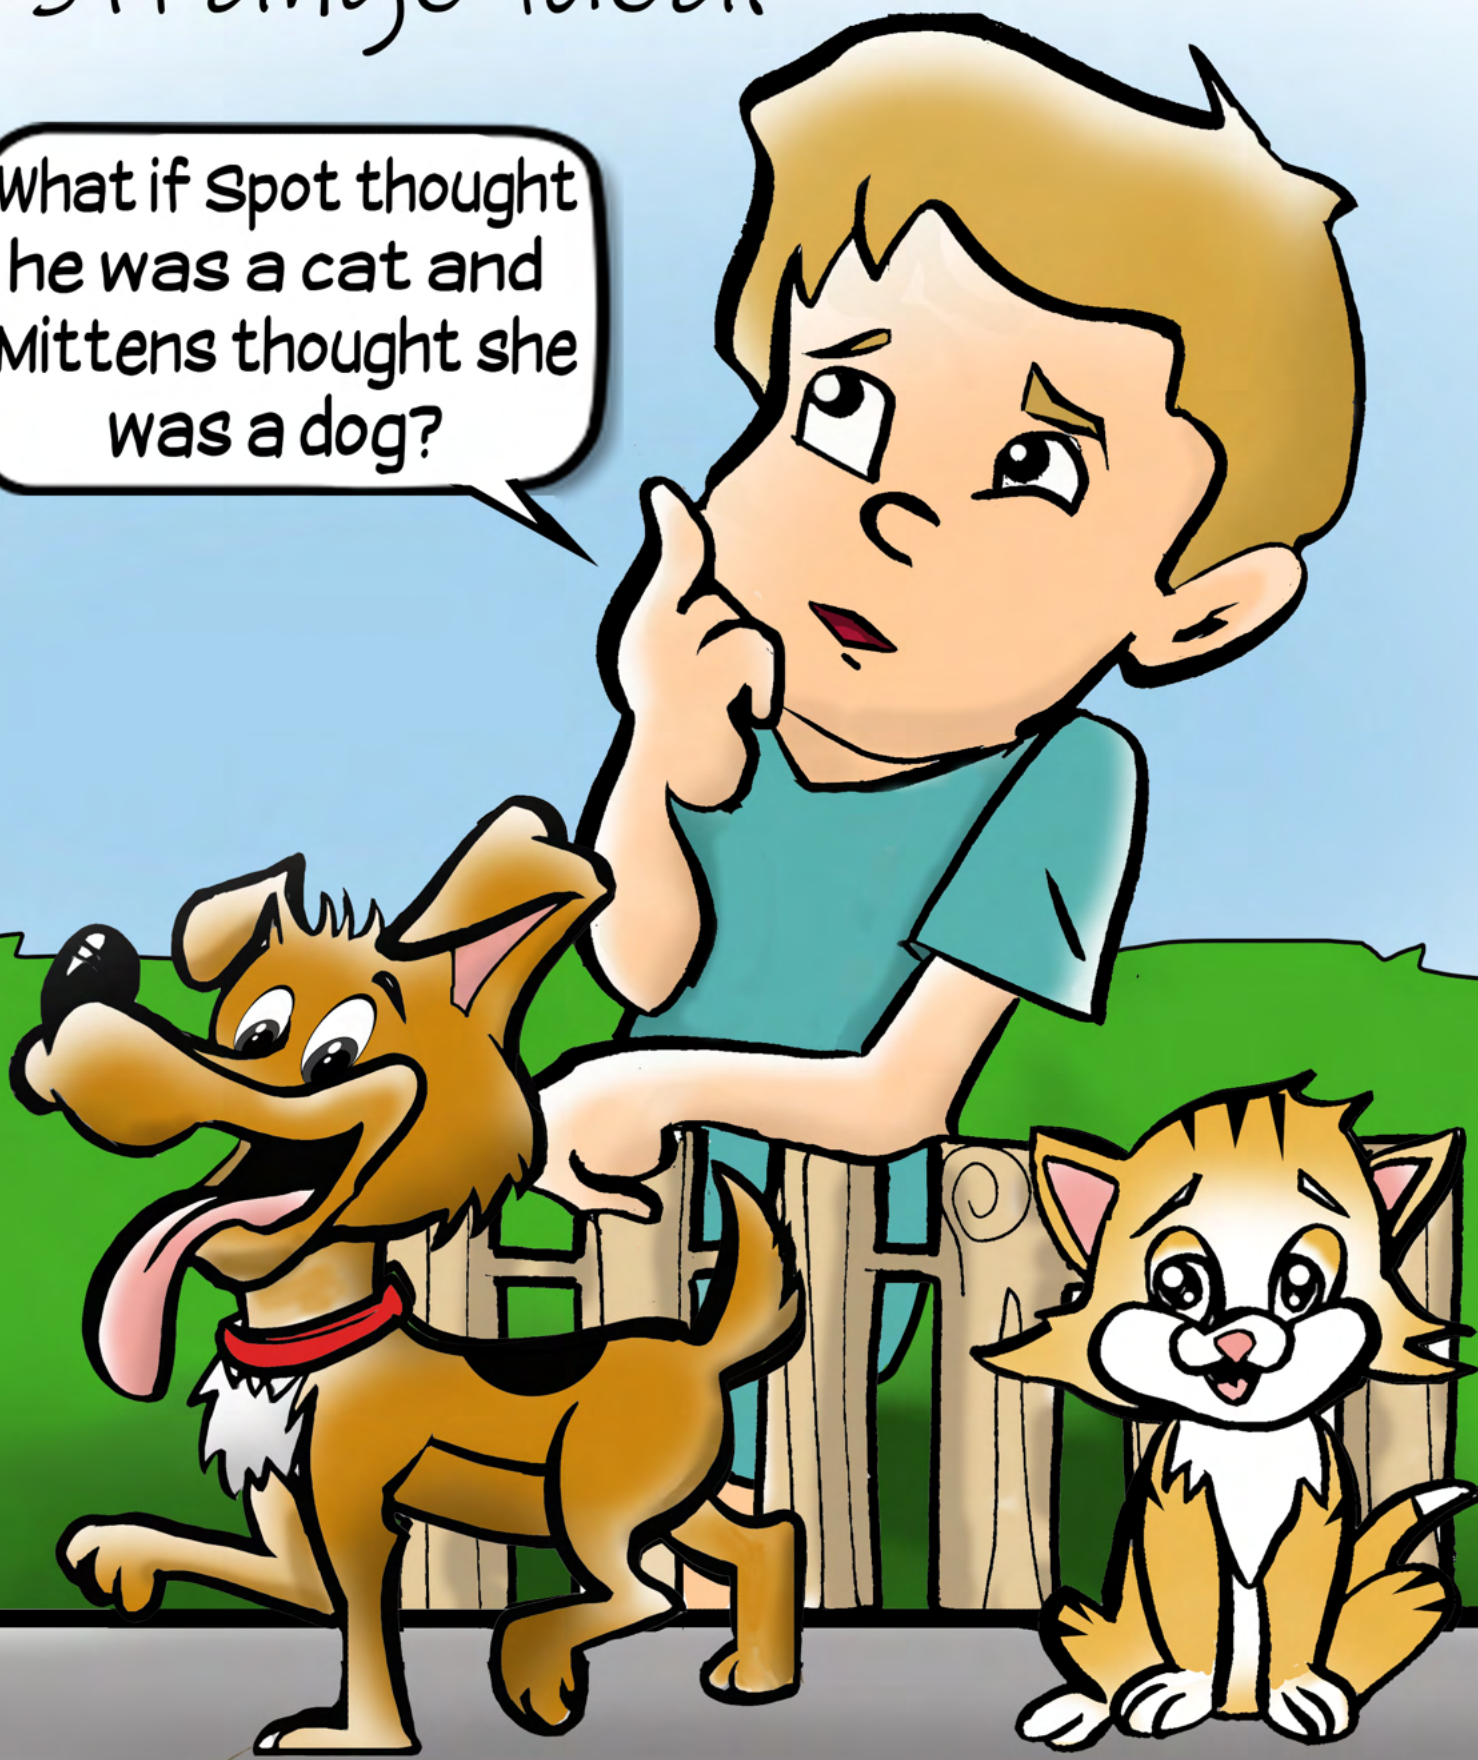

Jenny has a cat
named Mittens.

Jenny named her cat Mittens because it looks like she's wearing mittens.

One day Johnny had a strange idea.

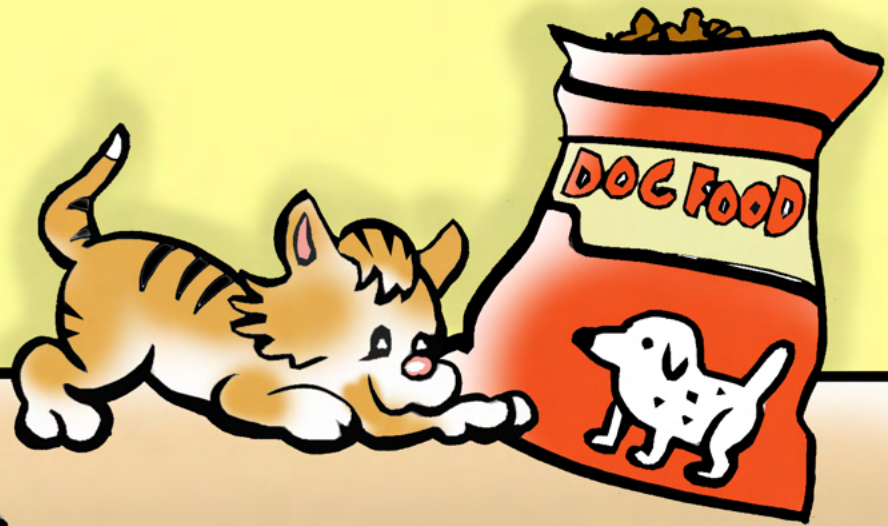

What if Spot thought he was a cat and Mittens thought she was a dog?

Would I have to
get a cat tree
for Spot?

And would you
have to feed
Mittens
dog food?

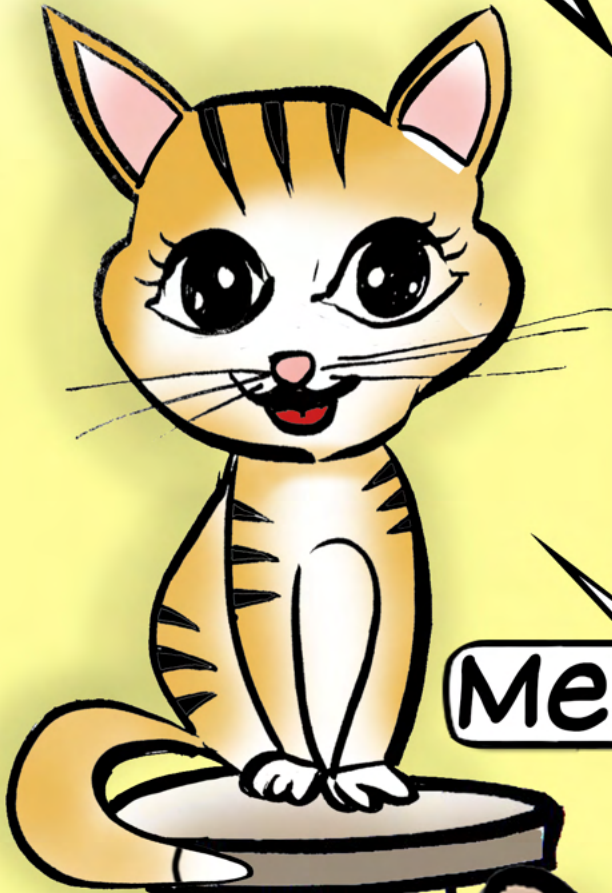

That's silly
Johnny!

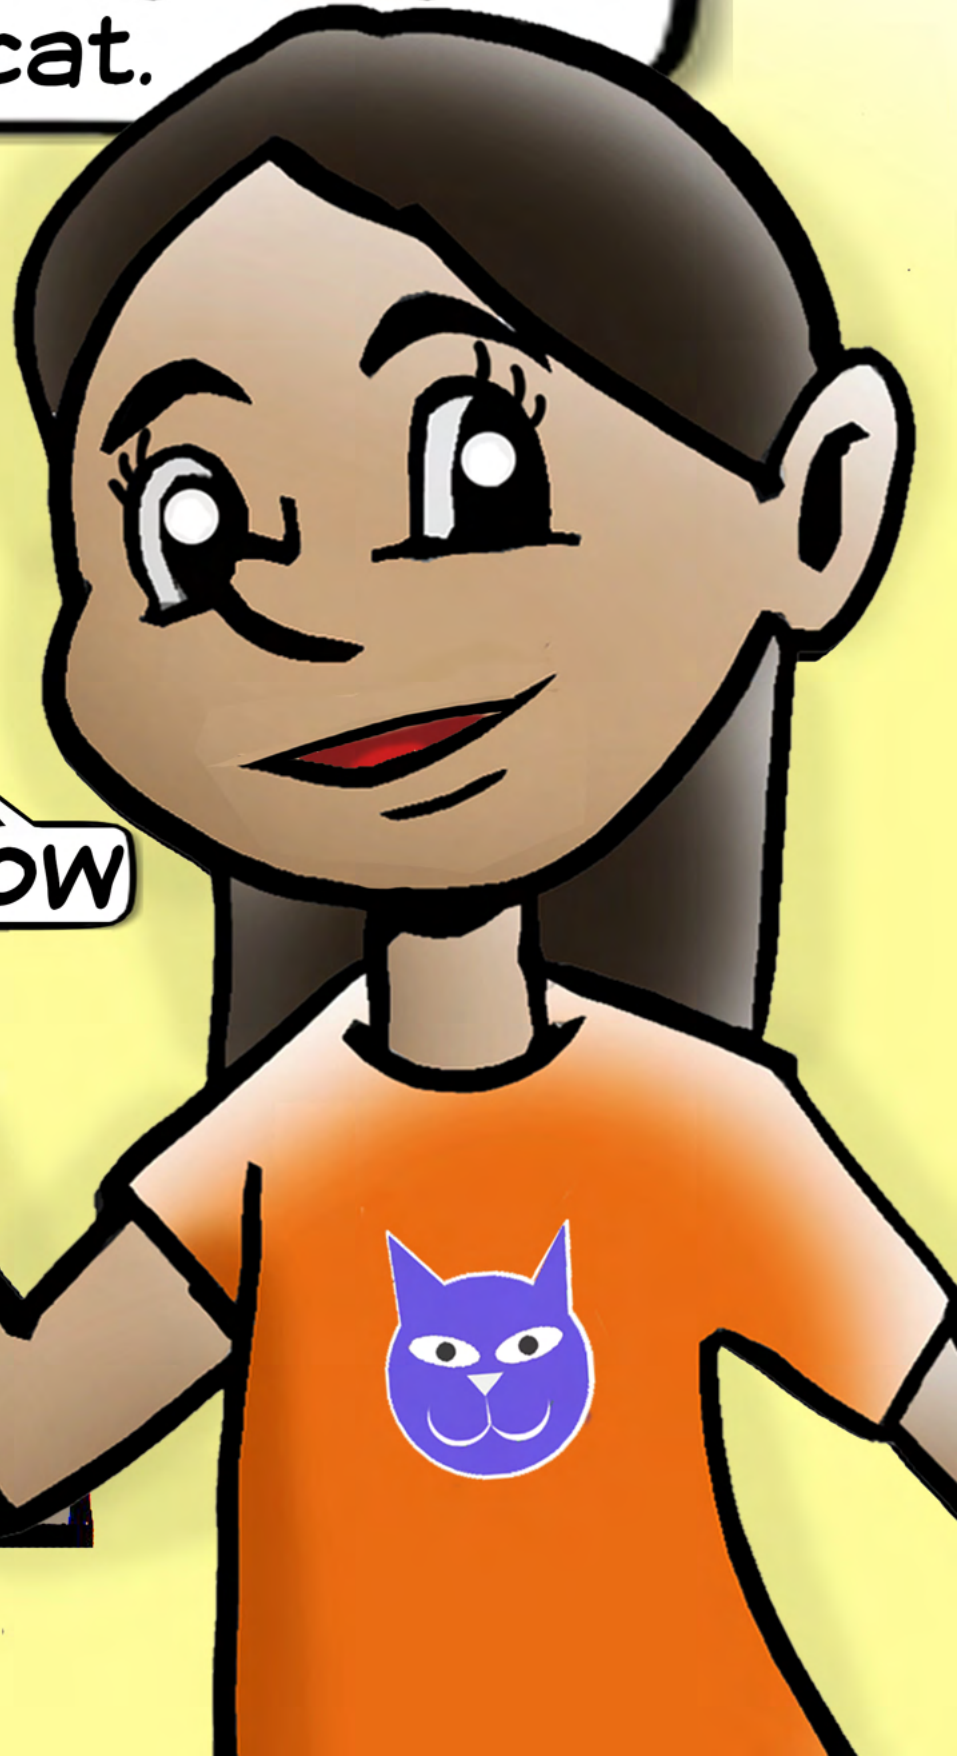

They wouldn't
think that.

If Mittens thought she was a dog she would still purr and say meow because God made her a cat.

Meow

You are right!

If spot thought he was a cat he would still bark and wag his tail because God made him a dog.

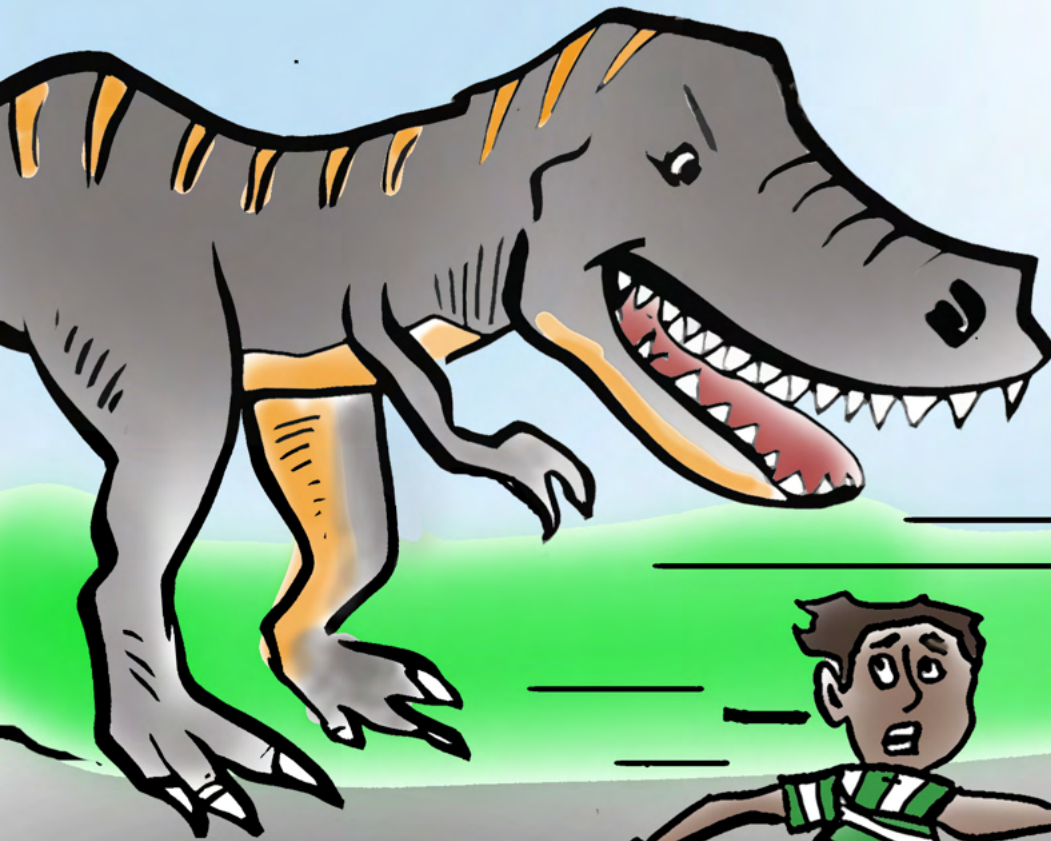

RUFF!

Sometimes I feel
like I am a
T-REX!
I stomp my feet
and ROAR!

Then I pretend
to chase the big
bullies away.

HA
HA

It would be cool to be a T-Rex but really I am just a boy playing make-believe.

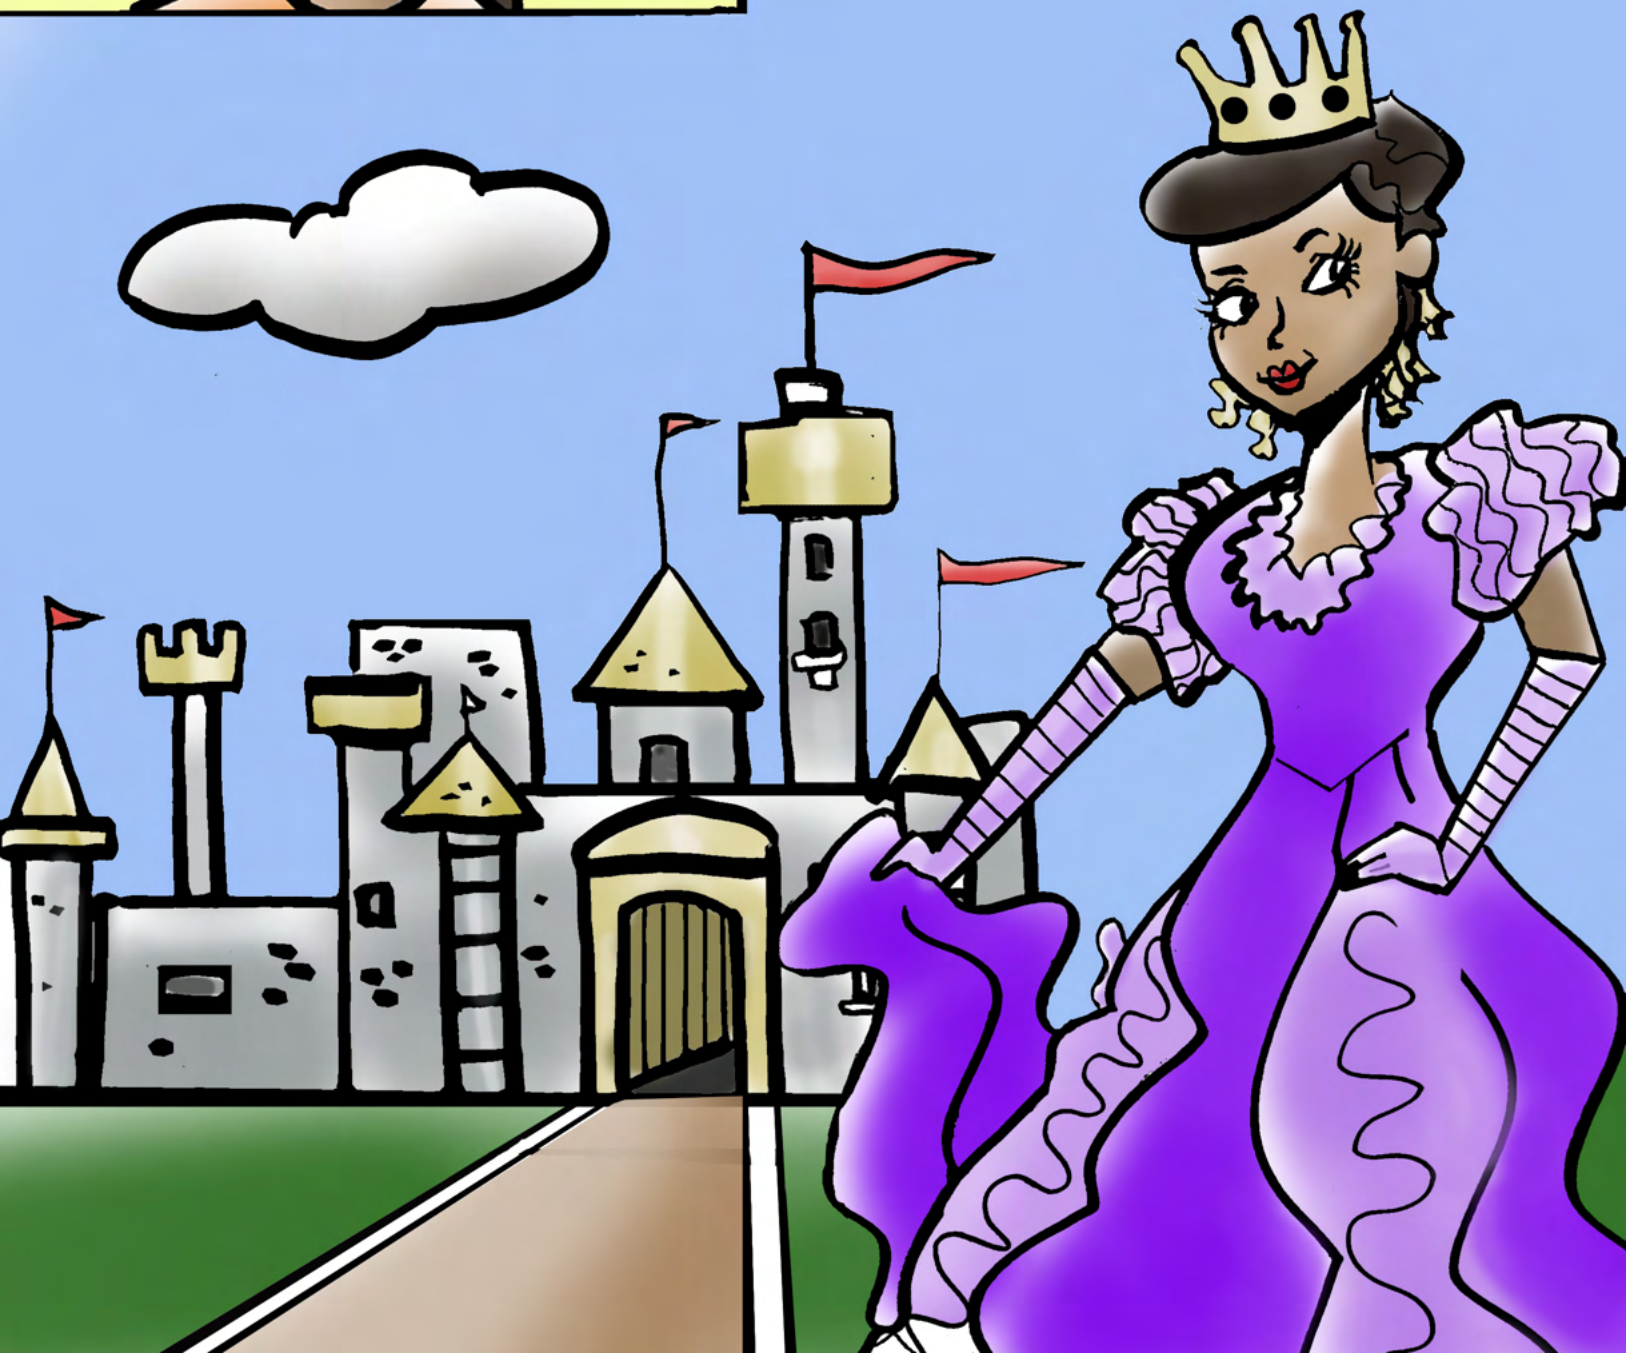

I like to play make-believe too.

Sometimes I pretend I am a fancy princess.

I make-believe I have a beautiful dress and live in a giant castle.

In reality I am just a girl who lives in a house.

And I am thankful for what God gave me.
