2026 FALL COMMITMENT CONTRACT

Cincinnati Recreation Commission.

To Creatively Encourage a "New Image" by Developing One's Self-Worth

OUR MISSION

The Mirror Movement is a non-profit, mentoring organization established to provide genuine support, direction and purpose to the lives of our young people. Our primary goal is to assist in the development of responsible and productive young women by sharing their gifts with a mentor, their peers, and with others less fortunate through several non-profit community service events. We use modeling, ballet and performing arts to develop confidence, leadership skills and determination that allow them to grow toward a better future. Their courage and hard work are rewarded by performing in the 2027 Winter production.

NIAMANI/I.O.1. COMMUNICATION & SELF-ADVOCACY EXPECTATIONS

As part of our commitment to developing leadership, responsibility, and self-advocacy skills, we encourage all Niamani and IO1 members to actively communicate on their own behalf regarding program activities, requirements, and opportunities.
Program information, updates, and announcements will be shared through our designated messaging platforms and discussed thoroughly in practice. Members are expected to pay attention to communications, listen carefully, and stay informed about program expectations.

If additional clarification is needed, Niamani and IO1 members should be the ones asking questions and seeking information directly from program staff. While parents and guardians play an important supportive role, members are responsible for communicating their needs, concerns, and questions regarding the program.

We believe that learning to speak up, ask questions, and advocate for oneself are essential skills. Therefore, we encourage all participants to use their voice, engage actively, and take ownership of their involvement in the program.
