

The Mirror Movement is a non-profit, mentoring organization established to provide genuine support, direction and purpose to the lives of our young people. Our primary goal is to assist in the development of responsible and productive young women by sharing their gifts with a mentor, their peers, and with others less fortunate through several non-profit community service events. We use modeling and performing arts to develop confidence, leadership skills and determination that allow them to grow toward a better future. Their courage and hard work is rewarded by performing annually in a finale Spring production on Sunday June 2nd 2024 at the Sharonville Convention Center.
