

Q: WHAT CAUSES HAIR LOSS?

A: Hair loss can be attributed to a variety of factors. The most common cause of hair loss is a hereditary condition that happens with aging. Hormonal changes and medical conditions. Stress, medications, radiation, supplements as well as hairstyles and treatments can affect hair and scalp health.

Q: HOW DO I MANAGE MY THINNING HAIR?

A: Effective treatments for some types of hair loss are available. With some conditions, such as patchy hair loss (alopecia areata), hair may regrow without treatment within a year. Treatments for hair loss include medications and surgery. You might be able to manage hair loss or at least slow it down through proper scalp and hair care. Ask your provider what is right for you.

Q: HOW CAN DE|RIVE HELP WITH HAIR AND SCALP CARE?

A: DE|RIVE is a patented, biomimetic plant-based serum specifically formulated for hair and scalp health. The ingredients in DE|RIVE have been well studied for their benefits to both the scalp and the hair follicles.

Q: HOW DOES DE|RIVE WORK?

A: DE|RIVE has shown to reduce inflammation & increase hydration and blood flow to the scalp. The serum also aids in the removal of dead cells from around the follicle revitalizing the scalp, helping nourish the scalp and hair follicles and enhancing the appearance of fuller, healthier hair.

Q: CAN DE|RIVE BE COMBINED WITH OTHER PROCEDURES?

A: Yes. Your practitioner can combine DE|RIVE with an in-office procedure and apply a dose of DE|RIVE in-office. Several treatments may be needed, and your practitioner may recommend the product to be used at home to further support the treatment plan.

Q: WHERE DO I GET DE|RIVE?

A: DE|RIVE is available in your practitioner's office as part of your in-office procedure and as a take home product for daily application. Since results are seen over time, daily applications are recommended to support your long-term goals. The take-home serum comes in a 30-day supply and can be applied in the morning and at night.
