CAPABILITY STATEMENT

DO THING THE RIGHT WAY

CORPORATE OVERVIEW

Founded in 2010 by CEO Hugh Riley, **Riley's Way** was established to provide reliable and precise lawn care services. In 2019, Hugh acquired his first John Deere mower and began contracting with the City of Toledo, marking the start of an ongoing partnership.

Today, equipped with a fleet of Stihl equipment and high-quality products, **Riley's Way continues to deliver exceptional services.** The company focuses on maintaining abandoned and nuisance lots, enhancing the community by reducing blight through well-maintained properties.

Looking ahead, Riley's Way aims to expand by hiring older community members, offering them meaningful employment that positively impacts both their lives and the community.

CORE COMPETENCIES

- Mowing and edging for commercial and residential properties
- Full line of commercial lawn care equipment (zero turn mowers, Stihl edgers, backpack blowers, trailers)
