► Terms and Conditions

Aircraft Hire - charged per tachometer, plus 0.2

Flight Instruction - charged per hobbs meter. Flight instruction includes a short pre and post flight briefing. Any additional briefing time will be charged at the applicable ground instruction rate. Ground instruction is charged by the hour.

Bookings - A maximum of 6 future bookings per person are permitted.

Prices - All prices are inclusive to VAT and are subject to change.

Account Deposits - Maximum deposit limit of £1,500. Deposits are non-refundable but may be transferred between members at management discretion.

Additional Package Costs - Will apply for flight training exceeding the specified hours allocation, retakes of ground examinations, aircraft skills tests, land away landing fees, fuel surcharge (where applicable), CAA licencing fee, CAA required medical examination, DBS check and GSAT training fees.

Aircraft self hire / hour building - Hour builders / self hires must be self sufficient, leave the aircraft fueled after their flight. Slot times are allocated by LS Airmotive. Self Hire / Hour Builders will require a club check out prior to hiring the aircraft and must remain in currency.

Fuel surcharge - May apply if fuel costs rise by more than 5% above base price level as of 25/11/2025

Cancellation Fees - May apply where less than 48hrs notice is given (excluding cancellations due to weather).

Club Rules and Regulations - As a member of the club/school, you agree at all times to abide by club rules, aerodrome and flying regulations detailed in the aerodrome manual, the air navigation order and the flying order book, and also with any other rules, regulations, orders and by-laws which the school/club may promulgate from time to time. Please note your personal life insurance may not cover you for flying light aircraft.
