

Sierra Club Mid-Missouri Group

September 7, 2026

Ms. Hope Tinker
Fayette, MO

Dear Ms. Tinker,

We are pleased to inform you formally that the Sierra Club has endorsed your campaign for the office of Missouri State Representative.

The Sierra Club is committed to promoting clean energy solutions to move the nation beyond dirty fossil fuels like coal, oil, and dangerous nuclear power, and towards a safe, clean energy future built on energy efficiency, clean energy, and American innovation. Since our founding in 1892, the Sierra Club has protected America's wild places and wildlife. In addition, the Club works to protect public health and ensure safe and healthy communities that are free of toxic air and water pollution. The Sierra Club and its 3.8 million members and supporters work to support candidates who share these values.

You may contact us to learn more about how our members can become involved with your campaign. Our local and state volunteers will be happy to discuss opportunities to publicize the endorsement, offer our knowledge on environmental issues, and explore other ways to support your campaign.

Because your campaign has now been endorsed in this election cycle, your campaign may use the Sierra Club Political Endorsement Seal for campaign purposes. The Sierra Club endorsement means a lot to our members and to the general voting public. Our endorsement sends a message of your strong support for the environment.

Please be informed that our endorsement can be used by your campaign in many ways:

- a) You may use the Sierra Club name in your campaign material. An endorsement logo is available upon request. The request form is available at this link <https://www.sierraclub.org/sierra-forms/endorsement-seal-request>
- b) Requests for volunteers to help in campaign activities can be coordinated through the local Mid-Missouri Group Chair, Carolyn Amparan. Please notify us of upcoming opportunities to share in an upcoming newsletter or via our Facebook page.
- c) The Mid-Missouri Group will notify our members and supporters of this endorsement.

We wish you success in your campaign and look forward to working with you to protect America's air, water, land and climate for our families and our future.

Sincerely,

Peter Schneeberger
Chair, Mid-Missouri Group Political Committee
