

I am a student at Clovelly House School.
Today I am writing to you to inform you of the charity work that we would like to do for our Community.
As a school we have chosen to support the British Heart Foundation by doing some activities to raise money for buying a defibrillator which we are hoping will go outside our school on Merrydale Road and will be used by everyone in the Community. I would like to ask for your help in supporting us by coming to visit us and maybe raise some cash for us.
It will be nice to see you and meet you.
Yours Sincerely

Subject: RE: MP Support request

Dear Luke,

Thank you for your email to Dr Luke Evans MP asking him to visit Clovelly House School. Thank you for letting us know the fundraising efforts which we will support.

Luke has availability for the day to visit your school at 11.30am on Thursday 12th November, would this be suitable for you? Apologies that we don't have anything on offer, Luke's diary is very busy over the next couple of months.

Kind regards,
Victoria England
