

**Therapeutic Models used:**

Therapy may be requested and funded directly by Local Authorities – Implicit in EHCP and/or IPA

The school has, additionally, appointed a counsellor to lead on PHSE to offer specific support for pupils.

Therapeutic working is embedded by staff across the company – staff have additional specialist L3 and L4 training, in specialisms. All staff engage in weekly Reflective Practice to discuss therapeutic working with individual pupils.

School leaders belong to the TCTC (Consortium for Therapeutic Communities) and attend monthly for networking & training.
