

What will happen to your complaint:

Stage 1: you can make your complaint verbally to a staff member or manager – they may be able to resolve your complaint

Stage 2: you, or someone who is helping you, can write your complaint down and give it to a staff member. Your manager should receive your complaint and see you about it to try to resolve it

Stage 3: if you are not happy about your manager's response you can complain to the Principal. The Principal will see you and try to resolve your complaint

Stage 4: if you are still not happy with the Principal's response you can tell your social worker, or OFSTED or 'Childline'.
