ABOUT US

Canberra Proposals is a Canberra business started up by a team of two local event business owners, Nat from Happy Days and Corinne from You're Truly Desired.

After noticing an opportunity that Canberra was missing in 2022 Canberra Proposals was created to bring you Canberra's first luxury proposal business.

Corinne continues to style events and weddings, but finds pure joy in executing proposals for couples across the ACT & greater regions.

Corinne has carefully selected Canberra's finest venues and locations to give you the ultimate private, romantic and personalised proposal.

Creating packages to suit most tastes and ensuring that your experience is 5 star with special offerings created by the venue for our clients specifically.

Offerings such as private dinners, reduced prices for hotel rooms, dinner with the family, venue hire, complimentary champagne, and more.

We can't wait to help you drop to one knee and ask the biggest question of your life. Being able to be a part of your next journey together as a couple is an absolute pleasure, we feel so honoured.
