ABOUT US

Canberra proposals is a Canberra business started up by a team of two local event business owners, Nat from Happy Days and Corinne from You're Truly Desired.

Both businesses have been servicing Canberra for a number of years and met through event collaborations and mutual small business friends.

Joining forces after noticing an opportunity that Canberra was missing in 2022 to bring you Canberra's first luxury proposal business.

They have carefully selected Canberra's finest venues to give you the ultimate private, romantic and personalised proposal. Creating packages to suit most budgets and ensuring that your experience is 5 star with special offerings created by the venue for our clients specifically.

Offerings such as private dinners, reduced prices for hotel rooms, dinner with the family, venue hire, complimentary champagne, and more.
