BENEFITS OF NEXTCREW APP

THE 5 BENEFITS

1

YOUR ACCOUNT SAFETY

All the transactions are secured using 256-bit encryption. Web firewall intelligent prevents DDoS attacks and prevents SQL Injection attacks. We also have a physical firewall installed on the server for an additional layer of security.

2

LOW STORAGE SPACE USED

NextCrew app is low in storage to ensure that it is not hogging up storage space on your iPhone or Andriod device.

3

LOW BATTERY IMPACT

NextCrew's app is low in storage space and low in battery usage. Our app is designed to not utilize and drain battery life as the provider needs their battery at the end of the day to clock out.

4

24/7 ACCESS

Be on the go with the NextCrew app and have access 24/7 with no time limits or restrictions.

5

REALTIME PUSH NOTIFICATIONS

You didn't check your email or SMS first? That's okay! Get real-time push notifications to stay connected on what matters most.
