Spotlight: Gospel Preaching & Church Planting in Nepal

In July, Indian Church Planter Kailinang Thiumai returned to the high Himalayan mountains of Nepal for evangelism and church planting by motorcycle. The only access to these villages is by foot or motorcycle. Praise the Lord for the gift of the motorcycle.

Soul winning in Nepal cannot be done in public but only by invitation into homes. Then the Gospel can be preached. These mountain people are hearing the Gospel for the first time. Many hearts are opened to the Good News! Praise the Lord for the many souls coming to the Lord for salvation. 39 churches have been planted in Nepal through the Diakonia Bible institute of Calvary Baptist Church, Nepal.

2 converts from Buddhist. Precious!

Church Plant in Himalayan Mountains of Nepal

In September, young Hindu people across Nepal rebelled against the government for shutting down social media. The government collapsed with many government buildings and homes burned. Government officials were also murdered. The government has been reestablished bringing order to the nation. Praise the Lord, believers and churches were not attacked. Pray for the stability of Nepal. I plan to return to Nepal in March of 2026.

By the grace of God, I am back in the saddle!

Praise the Lord, I was able to be back on the road this October. Debi and I started the month with a 4 day H.E.L.P. Ministries conference at Philadelphia Baptist Church. The preaching was Spirit empowered and heart stirring. At present I am New York preaching and giving reports to supporting churches. I will return South for the rest of the year with a full schedule.

PRAYER REQUEST

1. The continued healing of my back. It will take a year for complete healing.
2. The tariff issue between US & India to be settled before 2026.
3. I along with 3 pastors are planning a trip in March.

Thank you for your prayers and faithful support
