JULY & AUGUST IN THE SOUTHEAST

July opened with a vacation, relaxing with my bride of 51 years. The rest of the month was spent at 'The Retreat' (my home) attending to needs around the house, scheduling meetings for 2025, scheduling the nationals in our churches for September 2024, February & April 2025, and encouraging nationals in their ministries. Praise the Lord for the soul winning zeal and church planting fervor of these church planters!

My church, Westside Independent Baptist Church held their annual Faith Promise Mission Revival the last week of July. I had the privilege of introducing church planter Sher Afghan of Pakistan via livestream July 30, Tuesday evening: <https://youtu.be/8-drUzyEewY>

Sher & Huma Afghan

He is a teacher at Baptist Bible College and Seminary, and a church planter out of Northside Baptist Church, Lahore Pakistan. This is the man who works with me raising personal support for national Pakistani church planters. Praise the Lord for a powerful testimony & message:

In spite of persecution multitudes are accepting the Lord as Saviour and churches are being planted. From January 2023 to the present a church has been planted ever week throughout Northeast India. The Lord has used Peter Thiumai to plant over 103 churches. 'Impossible' you say? 'For with God, nothing shall be impossible.' Luke 1:37... 'The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.' 2 Peter 3:9.

PASTOR & CHURCH PLANTER PIWISSIWI PITALA is the pastor of Truth Missionary Baptist Church of Agoe Demakpoe, Togo West Africa. He has planted 10 churches. He puts the converts both at home and church planting through a series of baptism classes before baptizing them and adding them to his church. The baptism classes are followed by a series of discipleship classes.
