More On Kenya Mission Trip, May 2 to May 20...

Six of my days were spent in the bush mountains of Kisi with church planter Obadiah Ogesi, visiting and preaching to a few of the 61 churches that he planted. Every church had a testimony of reaching into the next villages to preach the Gospel and plant churches that will go do likewise.

3 of the days were spent in the Masai tribal mountains with Edward and Steven Murilla, visiting a few of the bush churches who have a burden to preach the gospel and plant churches that will go do likewise. They have planted 35 churches throughout the Masai mountains with a vision to preach the Gospel and plant churches to the Tanzanian border. 2 more churches were planted since my return home.

Church planter Steve Murilla, the son of Edward, has started 2 church since his return to Kenya in 2023, and is working on another church plant. He also has a vision to build a Christian camp. The camp will be used for children and teen weeks, retreats for churches, and a future Bible College. I toured the 10 acre property with a half finished driveway, water tower, building, a future home for he and his wife Kelly, & a determined faith to see the Lord build the camp. I encourage prayer for this needed work. Should the Lord lead you to invest in the camp grounds, please send the offering to HELP Ministries and earmark it: 'Steve Murilla – camp.'

In my travels among all the churches, the number 1 need expressed to me was 'Bibles.' Most of the believers do not have a Bible. I taught them that their pastor's preaching and teaching was their Bible for now. I also made a commitment to send them Bibles. By grace giving, Westside Independent Baptist Church, Tallahassee AL purchased 216 Bibles to be distributed among the churches!

2025 is coming fast. I am booking meetings for the coming year. If you would like me to come for a Sunday to present H.E.L.P. Ministries or a mission conference, please contact me at 912 271 1735, or jmills812@gmail.com

The number 1 need is still Bibles. Should the Lord lead you to purchase more Bibles, send the offering to HELP Ministries, & earmark it "Ogesi & Murilla – Bibles"

Old News But Good News

News about the saving power of Jesus Christ is always good news no matter how old it is! One of the national pastors and 'church planters' traveling with me last February and April was Piwissiwe Pitale of Togo, West Africa. He has planted 9 churches with the tenth church planted after his return to Togo. Upon returning home 10 people accepted the Lord as Saviour during his homecoming service. They have been disciplined to follow the Lord in believers baptism and added to the church.
