Returned from Kenya, Africa...

After taking our national church planters to churches in New York and New Jersey during the month of April I flew to Kenya on May 2 for a 20 day mission trip. **Praise the Lord for 24 souls that trusted the Lord as their Saviour!**

Our director, Ron Cole and myself held a 3 day Pastor Conference in Eldoret, Kenya with over 250 Baptist pastors and missionaries from nations across Africa.

Our theme was 'Bridges over Borders.' We taught the need for the churches to multiply 'church planting churches' across the borders of Africa AND work together to accomplish the task.

H.E.L.P. Ministries Church Planters Conference at Eldoret, Kenya

Ron taught '1st Century Church in 21st Century World', as well as 'Faith Promise Mission Giving,' 'How To Handle The Hurts of Life,' 'Having All Sufficiency in All Things,' 'Ministerial Ethics,' and subjects on the home. I taught 'God's Vision For Worldwide Missions: The Gospel to Every Creature,' 'God's Plan For World Evangelism,' 'Church Multiplication & Cooperation,' 'The Tithe,' and 'The Just Shall Live By Faith.'

The Conference concluded with a bridge of unity and cooperation for 'church planting.'

H.E.L.P. Ministries is working with 25 Kenyan preachers and their passion for 'church planting'.

After the conference I spent 6 days with church planter Obadiah Ogosi in the mountains of Kissi, southern Kenya, visiting churches & 4 pastor fellowships.
