**THE NATIONAL CHURCH PLANTERS  
HAVE ARRIVED!**

Praise the Lord for the 6 national Baptist church planters that have arrived in the United States. They will be with H.E.L.P. Ministries for 3 months presenting their ministries and preaching in our churches. Don Williams, Tim McCulley and I are taking the men to 30 churches throughout the Southeast during the month of September.

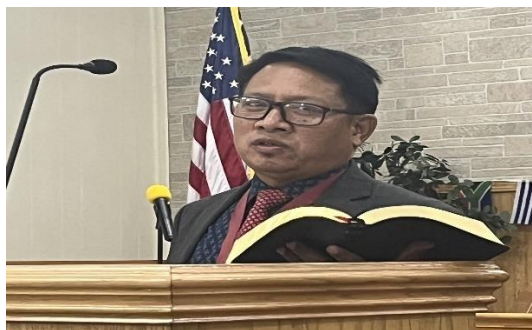

Thank you to all the churches that hoisted our nationals church planters!

Please pray for churches to respond to their ministries with prayer and financial support. We endeavor to raise personal support for them so that they can advance their training of church planters AND plant more churches.
