2025 is about to become history!

but not without the impact of a multitude of souls reached for the Saviour in developing and underdeveloped nations through national independent fundamental Baptist church planters.

They have been busy throughout the year preaching the Gospel, discipling and baptizing new believers, and planting churches.

These are just a small example of what H.E.L.P. Ministries National Baptist Church Planters are doing. What a great return for our investment! *Philippians 4:15 Now ye Philippians know also, that in the beginning of the gospel, when I departed from Macedonia, no church communicated with me as concerning giving and receiving, but ye only. 16 For even in Thessalonica ye sent once and again unto my necessity. 17 Not because I desire a gift: but I desire fruit that may abound to your account.*

At present over 600 national church planters in 60 different nations are being supported by over 700 Independent Baptist Churches. Many of these church planters also use some of their support to help other church planters! Praise the Lord!

My goal for 2026 is to continue partnering national Baptist church planters with our Independent Fundamental Baptist Churches, visit H.E.L.P. Ministries national church planters, and expand outreach into new underdeveloped & developing nations by His grace.

2025 The Year of Repairs

Praise the Lord my year of repairs for 2025 is coming to an end with the blessings of God. My June back surgery was a success, & God has enabled me to travel and preach throughout October & November. This coming week I will be representing H.E.L.P. Ministries to New Hope Baptist Church, Alverado, Texas. Thank you for your prayers.

MAY THE LORD BLESS YOU WITH A MERRY CHRISTMAS!
