Lord Jesus be praised,

My family and I like to thank GOD for his protection and his grace in our lives for the past year 2023.

And thank GOD also for you and pray for your loyalty to me for your support that you give me every month in the service of GOD. I would like to thank you for your love for me. May GOD bless you in all the blessings from him. Your support has been a great blessing in my family and in the church of GOD.

### **REPORT ON EVANGELISTIC MINISTRY:**

We thank God for the evangelism service in 2023, we did evangelism street by street and 35 people agreed to accept Jesus Christ as the Lord and savior of their lives. We also held a baptism service and 10 people were baptized to show a big picture of accepting to die and be buried inside of Christ. We ask for your prayers for GOD's work to move forward.
