MISSIONARY- CHURCH PLANTER

Southern Asia of 10/40 Window

Nov. 2023 – Feb. 2024

Dear Pastor and Prayer Partners,

I am glad to write to you the updates about my family and our ministry. Thank you so very much for your generous financial supports and unceasing prayers for my family and our ministry.

Update of Manipur's crisis:

My family continues to stay in the state of Manipur, and the communal violence between Kuki tribe and Meitei community erupted last year May 2023 is still going on with killings and burning down of houses and properties. No concrete step has been taken by the BJP Indian Government so far to solve the issues; though Internet has been restored in some relatively safer places.

Our Bethlehem Baptist Church in India, with the support coming through H.E.L.P ministries, continue to reach out to the affected people in Relief Camps with essentials foods items and Winter clothes and blankets.

Praise God For:

1. Two Baptist Church Planted in Nepal in Dec. 2023: 1. Tulachan Calvary Baptist Church, and 2. Immanuel Baptist Church.
2. The new Academic session 2024 of Alpha Christian Academy began in February with 81 students enrolled.
3. Construction of: 1. Liangmai Baptist Church building in Manipur, India, and 2. Tulachan Calvary Baptist Church, Nepal, is progressing.
4. Seven new converts were given water baptism in Nepal in Feb. 2024.
5. Conducted Youth Bible Camps at Asiluang village, 34 youths attended the program.
6. The “Love Day” at Bethlehem Baptist Church conducted successfully on Dec.10, and more than 100 Hindus and Muslims had received Christmas gifts and more importantly the Gospel.
