

“I AM NOT ASHAMED OF THE GOSPEL OF CHRIST...” Rom.1:16

To all my prayer partners,

My family and I warmly greet you all in Jesus' great name!

The Lord is so gracious that my family and I are in good health. He has provided us with all our needs even during this hard time. God is still good! Thank you for all your continued prayer, kind words of encouragement and financial support. You have been the backbone for the ministry here in India. We love you and pray for you too. Here are some of the great things the Lord has done during this season.

- (1)** Spiritual Enrichment service was organised at Komrem Centre Church, Imphal on 3 December 2023.
- (2)** Christian family retreat was conducted on 11 December 2023 at Guwahati, Assam.
- (3)** 270 Bibles were given out to the Churches in my mission fields in Manipur. I don't want people dying each day without the word of God (Bible).
- (4)** Church Planters' Conference was organised for all our alumni of Cedar Baptist Missionary Training Institute (CBMTI) on 15 January 2024. Altogether 110 Church Planters were attended and Bible was also distributed.
- (5)** Church Leaders' retreat was held on 13 February 2024 at CBMTI, Imphal.
- (6)** More than 350 souls were reached. Three got saved and many others have rededicated. Praise the Lord!

PLEASE PRAY!

- (1)** Please pray for my family for good health, children's professional education and other family needs. My son Haggai is looking for a right college/university for theological studies. Please pray for him!
- (2)** Pray for persecuted Churches in India so that the word of God may be preached and worship freely.
- (3)** Please pray for upcoming missionary training at Cedar Baptist Missionary Training Institute (CBMTI) which will be conducted from 8 April – 5 May 2024. Pray also for financial need for this training. The harvest is plentiful, but the workers are few. PRAY!

Thank you so much for your continued prayer and support!
