

## Sean Carter's speech for the 2019 Season Award Ceremony

These past few months have been some of the best of my life thanks to yald. Prior to starting to play here I was stuck in a rut sitting around feeling like I was wasting my potential waiting for a glimmer of an opportunity to play football again at any level. Unexpectedly through my best friend Katherine I found out about yald and instantly from my first day of training camp in August i knew this organization was perfect for me. I just thought it was the ideal safe space for me to show my skill and learn in the process. I'm so grateful to have found such a great league with an even greater community. I'm even more grateful for the people I've met and all the bonds I've made. Win or lose tomorrow my experience here at yald will forever be one the best things that has happened to me.
