

# Message from the President

## Milford Amateur Radio Club

As autumn has arrived, I wanted to reflect upon the successes the club has achieved over the past year.

Our move to the Civic Center, reduction in storage costs, and moving to another bank has greatly lowered our ongoing expenses.

Even with the pandemic's challenges, our club pressed forward to host our most successful hamfest ever. While attendance was down, our net profit was the highest ever achieved to date. This could not have happened without the efforts of everyone who volunteered. Thank You!

We have resumed Volunteer Examinations under a new team. This is a critical service to the amateur radio community. It is also an opportunity to recruit new members to our club.

Both our [MilfordHamRadio.org](http://MilfordHamRadio.org) and [CincinnatiHamfest.org](http://CincinnatiHamfest.org) sites are critical to promoting our club and its activities.

We recently gained 11 new members through our hamfest and VE sessions. Obviously, a growing and vibrant membership is critical to every organization. Please welcome our new members when you see them at a meeting, or on-the-air on one of our repeaters.

Please let me know if you have an idea on improving the club. Your help is needed to organize and coordinate other activities such as Field Day and Parks on the Air. Every successful organization depends upon the efforts of many people. The club is what you make of it.
