*All of our Kitchens can be ordered in all the colours found on our Colour Options page 98.
 Some limitations in gloss

The colours reproduced within this brochure are as close as the reproduction process allow. Due to our policy of continuous product development, we reserve the right to alter any specifications without prior notice. Products can be introduced and discontinued at any time, it is recommended to check availability from supplier before ordering.

*Cover image:
 Buckingham - Navy Blue Ash*

Buckingham

The Buckingham design, featuring a wide frame and 'V' grooved joints, blends a traditional shaker design with modern colours featuring a distinctive ash effect woodgrain. The result is a timeless kitchen suited equally well to either traditional or contemporary surroundings.

Designers tip:

Add Radius Rails for a sleek modern finish.

Gemini

Italian inspired design meets flexibility, the Gemini range is equally at home sporting a contemporary gloss finish or a subtle pastel tone. The integrated handle adds to the sophisticated clean appearance. Create unique kitchens and signature looks by mixing complementary Made to Order finishes.

Designers tip:

Curved feature doors create a softer look when used on the end of cabinet runs.

Available from Stock in

Integrated Handle

White

Larissa

Larissa offers sleek, stunning lines for a truly modern look. With an integrated handle design and finished in either a high quality lacquered Gloss, available in 5 colours, or 3 contemporary Matt finishes - Larissa is set to become a fashionable classic.

Designers tip:

Use wide, deep pan drawers with internal and external corner posts to continue the handle line around corners.

Avondale

A classic tongue and groove style mid panel affords Avondale a classic cottage style featured in an ever popular ivory finish. Adding curved doors further enhances the charm of this kitchen design.

*Designers tip:
Add oak block worktops and matching tongue and groove end panels to complete the traditional appearance.*

Available from Stock in

Gola System

The Gola System can be used to produce a stylish contemporary finish, with no need for filler panels and with NO restrictions on panel or door widths (the only restrictions are the heights of Base units), giving a much sleeker look and a more modern appearance - making it perfectly suited to our extensive Made to Measure Ranges.

Our Vogue Stock Range has been specifically developed with specific Gola sizes in mind for a 'No-Fuss straight off the shelf' solution.
