All goats are sold on a first come, first serve basis.

A 50% (non-refundable) deposit is required to hold any animal. If after 60 days the balance is not paid in full, the animal is then placed back on the sales list, and deposit is retained. No refunds or credit is given in these cases. All animals remain on the sales list until payment is received in full. I accept PayPal or cash only.

Thank you for your interest in our Pygmy goats! We always strive to place our goats in loving, appropriate homes.
