## COVID-19 Release of Liability

### **What is a Release of Liability and why am I being asked to sign this document?**

A Release of Liability Form is a legal document between the Releasor (person promising not to sue), and the Releasee (person or company who is potentially liable). This one is specific to the COVID-19 virus circumstances and in order for you to receive any service at Amour, 24 LLC by its employees and/or renters we need your consent.

This Release of Liability is between the client referred to as "Releasor" and Amour 24, LLC and its Renters referred to as "Releasee."

The Releasor knowingly and willingly consents to have hair, nail and skin service(s) during the COVID-19 pandemic. The Releasor understands that the COVID-19 virus is unpredictable making it next to impossible to determine if a Releasor has the virus. Amour 24, LLC's renters and employees have implemented new protocols in accordance with CDC and The New Hampshire Board of Cosmetology, Esthetics and Barbering but even with these new protocols a hair salon and spa is a high traffic business. Due to the frequency of visits of other clients, the characteristics of the virus and services the Releasor acknowledges that they may be at an elevated risk of contracting the virus simply by entering Amour 24, LLC's door.

The Releasor will consent to the Releasee's new protocols. The Releasor has the right to refuse to sign this form, and the Releasee has the right to refuse service during this pandemic at any time. If this form is signed and the Releasor is negligent with symptoms, the Releasee has the right to stop the service at any time to protect the other Releasors on the premises.

All Amour 24, LLC protocol documents including the new check-in process will be emailed to the Releasors. This form can be signed and emailed to [amour24dover@gmail.com](mailto:amour24dover@gmail.com). Amour 24, LLC will have paper copies at the salon for clients who do not have a computer or need assistance. Releasor needs to bring their own pen.
