#GIVINGTUESDAY™

Join the **Giving** Movement!

One person really can make a difference & one act of kindness can warm someone's day.

Baskets with Love is joining the **#GivingTuesday** movement and so can you!!

Join the Baskets With Love Team and support their **#Giving** outreach to the Assisted Living Facility by donating today! Lauren Hunter and her team have created a very thoughtful Christmas Basket to spread love to the elderly who are somewhat forgotten and without loved ones. Their goal is to honor 80 local elderly men and women with the love

and joy of the season in a tangible way. Your Basket Sponsorship is needed at \$30 for each basket, the BWL Team will manufacture and personally deliver the 80 baskets with a warm smile and kind hug! These baskets will each be filled with a Lindsay Phillips warm cozy scarf, a healing chapstick, warm fuzzy socks, a Christmas Ornament, and Words of Encouragement and more, all packaged festively by Baskets with Love!

Join us! Together we can share the love and joy of Christmas.
