

SDC CONTACTS

Some addresses allow attachments; some are forms and limit word counts. If you find a way to get around the forms (a direct email address), please share. Also If you find another contact/address for this list, please share.

Permit Sonoma doesn't necessarily forward attachments in packets to the Board of Supervisors. Copy and paste your letters into the body of an email.

Things to remember when writing your letter, per Ariana Rickard, a public policy and funding program manager with the Sonoma Land Trust:

- * Begin by stating your purpose and the action you'd like to see taken.
 - * Less is more; try to keep your letter to a single page.
 - * Be personal and local. Be courteous and persistent.
- * Do your research and present background information.
 - * Observe political titles.
 - * End with a thank-you.
