Mr. Rogal - The **Glen Ellen Forum** would like to invite you to introduce yourself to our community. If you are not familiar with the **Forum**, attached is information about our community organization. As Glen Ellen is unincorporated, the **Forum** provides residents, visitors and businesses with quarterly meetings to engage with local officials, nonprofits, organizations and others around topics of interest and import. More information is at www.glenellen.org.

Our next community meeting is August 4 at 6:30pm at the Jack London Saloon in Glen Ellen. Our meetings generally include two or three speakers and topics.

If this schedule is not convenient we can arrange another date and time for your visit with us. Please reach out to me directly if you have any questions about our organization and our activities.

On behalf of the Board of Directors,

Debbie Lammers

Board President
