

IN THIS DEEPLY MOVING AND FIERCELY HONEST
MEMOIR, TIMO INVITES READERS BEHIND
THE SCENES OF A REMARKABLE LIFE.

At its heart is a deeply personal 40-year quest to find his birth mother—a powerful human-interest narrative anchored by a diary promise kept, a relentless search, and the ultimate discovery of family without bitterness or anger.

Along the way, readers are taken on an unforgettable ride through the corridors of major corporate achievements, the lessons of legendary mentors, and the quiet, character-building discipline of the golf fairway. Whether surviving the crucible of a 62-day strike, weathering personal and professional reinvention, or overcoming life-threatening health battles, *A Nicer Way* is a masterclass in resilience.

This is more than a story of survival; it is a blueprint for living. It is about how the lessons learned from early struggles and hard-earned wisdom can transform mindset, drive action, and cultivate a profound, lasting gratitude for the journey.

Open these pages and discover how every twist, turn, and mentor led to a life worth sharing.
