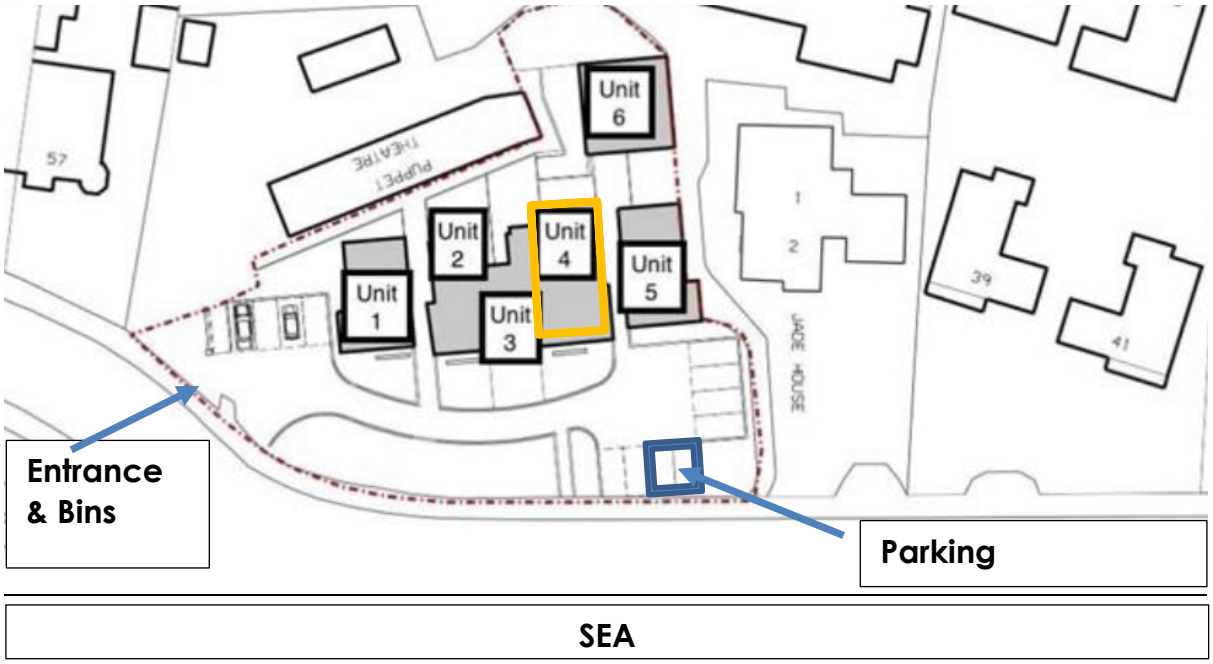
Parking (plan below)

All parking is private. There are strictly only 2 parking spaces that are owned and available to use. They are facing the sea to the right-hand side of the bike shelter. There are 4 spaces on the row, so please park considerately to allow adequate space for the other owners.



Waste Disposal
House must be cleared of all rubbish and bins emptied on checkout.

Conwy Council is very proactive in the recycling of waste. At the entrance Green Boxes stacked on top one each other marked '4'. These are for the recycling of glass, paper, plastic and metal. There is another waste disposal box for food. The large black bin is strictly only for non-recyclable waste.

Aberhod Old Hall was originally built in 1763. The original building has been converted into three houses. The conversion has retained the heritage of the original building including the attractive stone exterior, benefiting from a completely new build.
The house features large glass windows facing the sea with stunning coastal views
