

THE POSEIDON VENUE and ACCOMMODATION (for Medics' Wellness Education meeting)

The POSEIDON VIP Residence Club Balneo & SPA Resort is an elite residential and holiday complex in the grounds of the garden which is maintained to a highest possible standard. The two swimming pools (one of them specifically for children) with numerous lounges around the main pool are free to use; the LAGUNA (VIP zone) is available for bookings.

The POSEIDON operates throughout the year and is beautiful and welcoming in any season of the year. It is in the prestigious district of Nessebar, Bulgaria, just a few minutes' walk from the nearest sandy beach. The historic UNESCO-protected Old Town of Nessebar is about 40 min walk from the complex or short drive by taxi or public bus.

The POSEIDON's luxurious ambiance, specialized BALNEO, SPA and PHYSIOTHERAPY and SPA services and first-class amenities create a perfect environment for relaxation, rejuvenation and residential business meetings and educational courses.

The POSEIDON restaurant within the complex offers an exquisite atmosphere and a diverse cuisine, while the resort's apartments feature unique design and offer exceptional comfort.

All apartments are self-catering, tastefully furnished with attention to every detail and efficient use of space, and are fully equipped for a very comfortable and enjoyable stay, including free wi-fi.
