UTILITY BILLING SERVICE AGREEMENT

Service Address _____

_____ The utility deposit in the amount of \$150.00 must be paid in full at the time of application or service will not be established. The utility deposit cannot be paid out or added to the bill.

_____ Service connections are done as time permits; someone must be present in the house/business in case of leaks, faucets left on or any other problems that may occur.

_____ I understand that if I have an aerobic septic system, I will provide a copy of purchase and installation to the city before services will be turned on.

_____ Water bills are due no later than the 10th of each month. On the 11th day of the month, a 10% late fee will be added to the unpaid balance. A drop box is provided for your convenience of payment, located in the front door of City Hall.

_____ Late notices are mailed about the 11th day of the month. If payment is not received or a payment extension has not been established on or before the 19th day of each month, a \$50.00 disconnect fee will be added. Once services are disconnected, full payment of the delinquent bill and disconnect fee must be paid prior to service being continued.

_____ Extensions will be granted to customers that appear at the water office to fill out, sign a request and provide a copy of a picture ID. Four (4) extensions may be granted within a 12-month period. No extensions will be granted to a customer if services have been discontinued.

_____ If the property is vacated, with or without filling out the proper request, and there is an unpaid balance, the City of Bells will apply the utility deposit to the account to satisfy the unpaid amount. If there is a remaining unpaid balance after the deposit has been applied, the customer will be billed at the last known address on file. If the balance is not paid within 30 days, the account will be turned over to a collection agency. However, if there is a credit due after the deposit has been applied, a refund will be mailed to the last known mailing address on file.

_____ I understand the water service will remain in my name and will be my financial responsibility until I sign a form requesting that service be discontinued.

_____ I have read and understand the billing procedures and the solid waste guidelines for solid waste (garbage) for the City of Bells.
