FAUX WOOD

For a look of genuine wood at an economical price our Faux Wood is an excellent choice. Non-padded with matching corner catches on top and bottom. Logo can be debossed.

Cherry

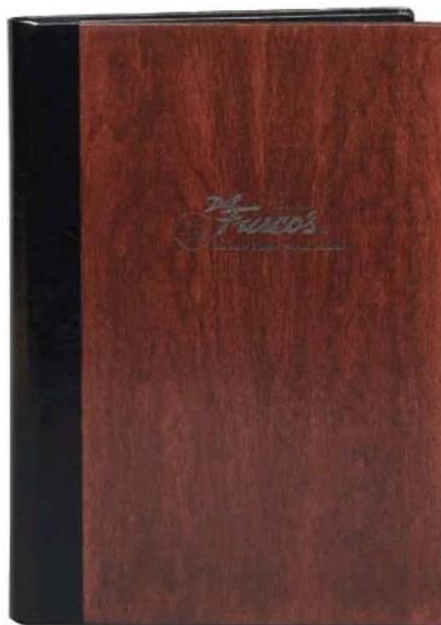

Oak

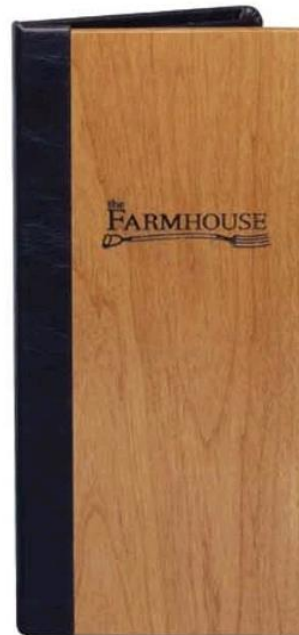

Walnut

The newest addition to our Elite collection. These durable handcrafted covers are made to your specifications. This product is made from genuine wood, not a stained finish. The front and back panels come in Mahogany, Cherry or Walnut. The spine is accented with your choice of material. Offered with laser etching to display the finest details in complex logos.
