

LONE STAR MEDICAL ASSOCIATES

PHYSICIAN-LED AESTHETIC CARE IN PLANO

SMOOTHER. CLEARER. BRIGHTER.

CLARITY II LASER TREATMENTS

755 + 1064 nm dual-wavelength technology

A versatile aesthetic laser for hair reduction, visible redness, selected pigment concerns and skin revitalization.

ONE PLATFORM. THREE AESTHETIC GOALS.

HAIR REDUCTION

- Face and body areas
- Ingrown hairs and razor bumps
- Customized for skin and hair type

REDNESS + VESSELS

- Facial redness
- Broken capillaries
- Selected small superficial vessels

TONE + PIGMENT

- Sun-related spots
- Uneven-looking tone
- Laser toning and revitalization

POPULAR HAIR-REDUCTION AREAS

- ✓ Upper lip, chin and face
- ✓ Underarms and arms
- ✓ Bikini and Brazilian
- ✓ Legs
- ✓ Back, chest and abdomen
- ✓ Beard line and neck

Treatment selection, settings and number of sessions vary by skin type, hair color and concern. Vascular treatments are limited to selected superficial vessels and are not intended for large varicose veins.
