LETTER FROM THE PAB PRESIDENT

Whitney Reilly
'25/26 PAB President

Dear HPUMC Day School Families,

As we close out this school year, I want to reflect on what an incredible year it has been and express my heartfelt gratitude to each of you. When I think about what makes the Day School so special, it always comes back to the people. Our teachers and staff show up every single day and pour their hearts into our children. They, along with our families, are the reason our kiddos run through the doors each morning with excitement and come home bursting to tell us about their day. I am so thankful for the dedication and love they bring to this school and to our families.

I am also grateful to our parent community which continues to amaze me. Whether you donated during the Family Giving Campaign, volunteered your time for a committee, signed up to be a room parent, or simply showed up with a smile at pickup, your support this year made a real and lasting difference. Every contribution, big or small, helped make the Day School the best it can be for our children.

I want to give a special thank you to our Parents' Club Chairs, volunteers and Board members who spent countless hours behind the scenes planning the programs and events that created so many wonderful memories for our families this year. From fellowship events to teacher appreciation weeks to all the little moments of joy woven throughout the year. None of this happens without parents willing to give their support, time and energy.

One of the things I will carry with me from this year, and the seven at this school, is the deep sense of belonging I have felt here. This is a community that shows up for one another, where we celebrate together, support each other through hard seasons and genuinely care about the families sitting next to us.

Thank you for your trust, your generosity, and your partnership this year. It has been such a joy to serve as your Parents' Association Board President. I am so proud of what we accomplished together and grateful to be part of this special community.

Wishing you and your family a wonderful summer ahead!

With gratitude,
Whitney Reilly
