

PARENTS' CLUB

HPUMC DAY SCHOOL PARENTS' CLUB

Thursday, February 5th 2026

- 1) WELCOME AND PRAYER Gott
 - a) Meeting called to order at 9:08 am
- 2) JANUARY RECAP Gott
 - a) Snow Day: Event went really well. Parent loved the in-class activities with the sensory bins. Kids thought the snow cones were delicious. Only negative is that we had to pay for 2 days of the vendor. The 'Dragons love snow cones' books did finally arrive.
 - b) THIS MONTH: The Cupid Shuffle. This event will be set up in a room and classes can rotate out. Details still forthcoming, but will be a school-only focus, not parent attended.
- 3) MOMS, MAHJONG AND MINGLE Irby
 - a) Email reminder going out today. Looking for people to bring sets. Light snacks provided. Teacher is being provided by the venue.
 - b) Post reminder today on Instagram, 32 tickets sold, 40 seats available.
- 4) DONUTS WITH DAD Woodall
 - a) March 2nd, in the great hall this year. Will be come and go from 8:00 – 9:30 am, just 1 day. If you are a Tues/Thurs family you are welcome to come Monday with your Dad.
 - b) If we want music in the great hall we need to contact the av/s guy with the church to turn it on at 8 am.
 - c) Look at selling skip the line for billy buttons in the future (for carnival silent auction).
 - d) Need someone that morning to help and pick up donuts.
- 5) FIELD DAY Eckert
 - a) Sunday March 8th from 3-5 pm, at the Armstrong field house. We have it reserved an hour before and after for set up.
 - b) Same stations/activities as last year. We will have boys from Jesuit serving as station volunteers.
 - c) Need to get communication out to families to save the date. Get sign up for coaches (1-2 per class). Have an RSVP in the save the date – or reach out to room parents for a headcount from each class.
 - d) Going to do a Q and A for the event to send to families. Especially for those 3's who have not attended before.
 - e) T-shirt: buying in advance, xs for 3's, then small for 4's and TK. Also getting coaches shirts (mostly large, some M and XL)
 - f) Do we want to do inflatables for younger kids? Last year it was problematic because kids

were unattended in the bounce house. Could be better this year since we will have more volunteers.

- 6) CARNIVAL Morgan, Swaner, Moreland, Bowden
- a) Save the dates, set to go out the first week of March.
 - b) Sponsorship info will be live around the same time. But will be shared earlier to families who have previously sponsored.
 - c) Post Instagram and have room parents send out sign-up for décor, auction, logistic committees. We will start having bi-weekly meetings soon. [volunteer sign-up](#)
 - d) Kid art: connect Hayley, Whitney, and Vanchelsa to work on a project that would involve kid creating something then an adult/artists putting it together for the auction. Framed art. Group art for 2's and up, maybe a whole school art piece. Could do individual class art for younger classes – those teachers are very crafty.
 - e) Teachers to do themes bulletin boards the week of carnival.
 - f) Mary is going to reach out to TinyPrints to see if we could do a collab with them (every student would create an individual piece then it would be sold).
- 7) COMMUNITY OUTREACH Morgan
- a) The Soup-er Bowl is currently going on in the front.
 - b) The kids will be making Valentines on Monday and Tuesday for either Austin Street Shelter or Dickinson Place (pending on how many get made). Going to set this up in 109 so teachers can rotate their students in to make them.
 - c) The school is leading a community event for cereal boxes in May (18th-29th). This will be also a stem activity as they are going to use the boxes as dominos around the school- working on their designs already.
- 8) WRAP UP Gott/Crissey
- a) 2026-2027 chairs : all positions open!
 - i) Rebecca will do Community Service again.
 - b) Clinic Concierge: connect with them for teacher appreciation week – B12 shots for teachers. Possibly incorporate into Muffins with Mom.
 - c) Summer camps for half day – they will be offered this year. Working around construction. 4 weeks, looking at whole day school VBS as well.

Meeting adjourned at at 9:58 am
