

# PARENTS' CLUB

## HPUMC DAY SCHOOL PARENTS' CLUB

### MEETING MINUTES

Thursday, March 5<sup>th</sup> 2026

- I. WELCOME AND PRAYER Gott
  - a. Meeting called to order at 9:03 am
  
- II. FEBRUARY RECAP Gott
  - a. Cupid Shuffle –bubbles and music in the atrium. These monthly events that were sold via FGC are intended to be small and kid-focused, but the feedback is that they need larger budget to pull off, and they are a lot to plan and organize (for chairs and teachers). We will reconsider them during next years campaign.
  - b. Moms, Mahjong and Mingle – easy to have at Charleston club, instead of someone's house. Event went really well this year!
  - c. Donuts with Dad – Having the event in great hall worked well, instead of in the classrooms. Feedback from some rooms – would the teachers do the cute crafts as well (some did this past week, some promised them for father's day – the dad's like their crafts!) Mondays are hard for most families, possibly move to Fridays since the church is closed, would be easier parking.
  
- III. 2026-2027 Chairs Gott, Morgan
  - a. Budgets due by April 1 : It is critical to have these accurate budgets of what the actual amount spent for the event was (including any donations, so we can plan for the following school years budget.)
  - b. Please submit all expenses ASAP for this year – send to Ryan, copy me as well.
  
- IV. FIELD DAY Eckert
  - a. Currently have 70 kids signed up, still taking sign-ups. Combining some half day classes so teams have 6-8. Currently have coaches for each team. 12 stations total. Changing 'chase the bear' to incorporate stuffed animal bears (not the bear suit) No ice cream at the end (but still popsicles during). Shirts to handed out at the event. Not a drop off event. Coaches coming at 2:30 for a review. We have 12 Jesuit volunteers for stations, but need volunteers to help set up. Email coming out Friday with parking details.
  - b. Volunteers help set up at 1:30 on Sunday
  
- V. MUFFINS WITH MOM Irby
  - a. Now on March 30<sup>th</sup> (Monday). We looked at different locations within the

church, but with construction not many were available in May. Moving it before construction started was the best option.

- b. Billy buttons, fruit, breakfast tacos, Herbster truck at 8:30-9:30 (you pay for yourself), black coffee available for free. Egg-related craft.
- c. Clinic concierge may come – thinking thru shot options and locations for privacy.
- d. Send out parking info in reminders.

## VI. CARNIVAL

Morgan, Swaner,  
Moreland, Bowden

- a. Auction:
  - i. Getting committee info so they can get on calling companies for follow up.
  - ii. Requested to send dedicated e-mail for parent-donated items (sports tickets, vacation houses, golf, etc).
  - iii. Call for teachers to give gift of time items, in the next staff meeting they will be filling out forms with the info.
  - iv. Look at nickel: a different software to avoid the % square takes.
  - v. Bid for Good action site (for non-profits).
- b. Sponsorships:
  - i. Have been going out silently, opening to everyone with save the dates on Friday.
  - ii. Coordinating signage for sponsorships with vendors.
- c. Décor:
  - i. Save the dates going out on Friday!
- d. Get new families emails to invite them to carnival.
- e. Getting shirts for teachers, not much interest in adults shirts.

## VII. WRAP UP

Crissey

- a. Parking, Security and Safety Reminders
- b. Performances in May/Graduation – still working on where to move these events.
- c. Moving specials to old choir room on 3<sup>rd</sup> level during construction.
- d. Room 142 to be down for 6 weeks starting in April

Meeting wrapped up at 9:52.
