

INCENTIVE SCHEME – OPEN TO ALL MEMBERS!

Work Party Incentives

At present, most of the essential maintenance and improvement work on our waters is carried out by a small group of dedicated volunteers. We'd love to see more members get involved — even just a few hours can make a big difference!

To show our appreciation, **members who attend three or more work parties** will receive the following rewards:

-  **Access to additional waters:**
 - River Swale at **Gatenby** (1.0 mile)
 - **Skeeby Beck** (0.75 mile)
-  **Bring a friend fishing for just £5** (normal day permit £12.50)
-  **FREE entry to special rewards days** (on a first come first served basis).
-  **Access to the Appleby Angling Association exchange ticket**
- **Priority booking for club events**

Your help keeps our waters safe, enjoyable, and well maintained for everyone.

Join a work party, get involved, and reap the rewards!

If you can't make it to a work party there are other things you can do such as helping promote the club on social media, writing articles for the website, making bird boxes, carrying out specific agreed tasks in your own time. The committee will consider any ideas that make a positive contribution for the benefit of the club and its members.
