Atlantic Central District
Optimist Jr. Golf Qualifying Tournament

The Optimist Golf program is one of the largest and well-renowned junior golf tournaments in the world. The Optimist Junior Golf Program is an exciting and unique junior golf program for ages 10-18.

In order to play in the Championship in Florida, golfers must meet one of the qualifying methods. One of those methods is to play and qualify in a sanctioned district qualifying tournament!

The Atlantic Central District will pay the entrance fee to the Florida Tournament for the top male (16-18 age group) and top female (15-18 age group) qualifying, who reside within our district boundaries (the states of Pennsylvania, New Jersey and the northern part of Delaware).
