A Note to Parents

Dear Parents,

Thank you for encouraging your child to help clothe children in need and children in foster care through Confident Threads. Your support helps teach kindness, generosity, and the difference even small actions can make.

Confident Threads provides each child we serve with new brand-name athletic shoes; a coat with hat and gloves or swimwear; two pairs of pajamas; seven in-style outfits; and brand-new underwear and socks.

Attached you will find our Kids Quest Missions, Mission Completed badges, and a list of ideas children can use to earn money toward completing their Missions. These ideas are simply suggestions—please feel free to add any activities you believe would be meaningful or beneficial for your child.

To complete the final Mission, please reach out to schedule a tour of the Confident Threads warehouse. A parent or guardian must accompany each child. At the end of the tour, we will proudly present your child with a certificate and Mission Completed badge.

If you have any questions, or if you would like a printed copy of the Missions and badges mailed to your home, please email Claudia@ConfidentThreads.org with your name and mailing address.

Thank you for helping us inspire the next generation to care for others and make a difference!

The Confident Threads Team ♥
