From Spiritual Health and Congregational Councils: We have heard broad appreciation for the ministry that Patrick & Christine Nafziger have been providing in preaching during our interim between pastors. It seems timely that we now seek affirmation by a vote of the congregation, set for June 9 during our morning worship service, to continue this arrangement into the coming months (and as long as needed). We will continue to explore the ways their interim involvement may be expanded (such as in worship planning). Please talk to Ann Frank (CC) or Gerald Shenk (SHC) if you have questions or concerns for our consideration together.
