

Delta Quilters Guild

2022-2023

Affiliate Membership

Delta Quilters Guild encompasses East Contra Costa County, with 115 current members representing communities from Concord and Martinez to Bethel Island and Discovery Bay. Our members share a love for the art of quilting as well as other fabric arts. They enjoy sharing their expertise, resources, and of course, useful information about businesses related to their quilting!

We invite you to become an Affiliate Member of Delta Quilters so our members can recognize you as a supporter of their guild.

Affiliate Members will receive the benefit of business recognition through a business card (or other business card size ad) included in three forms of communication with all members:

- **Roster of members** that includes all current members
- **Guild Website** with a direct link to your business
- **Monthly Newsletter** emailed to all guild members and affiliates

In addition to this ongoing communication with all members, Affiliate Members receive other benefits:

- **Quilt Show** – Early reservation as Vendor, priority option to place an ad in the full-color program.
- **Sewing Room Tour** – Free space to demonstrate topic of your choice and to be a Vendor

Annual Affiliate Membership is \$20 for the benefits mentioned above. We hope you will join us and look forward to building a relationship between guild members and our local businesses to work together. Our membership drive is May 1st through June 18th. Please find an application form attached.

We hope to hear from you!

Sincerely,

Cindy McGarry
Membership Chairperson
Delta Quilters Guild
