THE BOOTLEGGERS MUSIC GROUP

WHO ARE "The Bootleggers Music Group"

The Bootleggers Music Group is a collection of individuals with a higher purpose - to bring people together through a universal love of God and music. At a time when the world is being torn apart by division and hatred, founding member Paul Jones saw a better way. The result is a thrilling collection of genre-hopping tunes intended to strengthen the bond between man and God.

The seeds for the Bootleggers Music Group were planted in 2020, when Paul found himself and his business deemed "non-essential." He lost nearly everything. But rather than wallow in darkness forever, he was inspired by a visit from his lifelong friend Wayne Maxwell, who suggested he turn to music and God for healing. It was a meaningful turning point in Paul's life, as he and Wayne went on to write nearly 100 songs in the ensuing weeks.

The Bootleggers Music Group's lineup soon expanded to include not just fellow musicians, writers, producers, artist across the globe reaching countries such as, Turkey, Serbia, Siberia, Russia, Germany, France, Madagascar, Netherlands, Romania, Spain, Nigeria, Argentina, South Africa, The United States and Growing!

Currently, the group can be found performing at clubs, parties, and even parking lots across the region. With an unwavering love for both God and rock'n'roll, they continue to inspire listeners with every song they perform.
