Prayer Walkers Needed

April 27 - May 10, 2025

How Many Miles Can We Cover?

Prayer Walking will be held this year beginning on Sunday, April 27, through Saturday, May 10. Please sign up on the sheet by the office! Before you walk choose a card for one or more routes you will walk and pray. Take door hangers that are available for you to pick up and hang on doors of households for whom you pray while walking. Prayer Walking is simply walking a route and praying for the people/households/things you see on your route. We recommend that you go with two or more. Someone starts with a short prayer about something they see on the route. Another person follows with prayer about that same thing or chooses to pray about something else they see. Complete all the info requested by your name when you finish walking.

If you are unable to walk, you are welcome to ride and pray. Please note route, number of people, and date when you have completed your praying.

Fair trade is built on the understanding that families and communities can escape the cycle of poverty and exploitation. Fair trade means artisans receive a living and fair wage. It means showing respect to artisans as they participate in the decisions that impact their work, lives, and craft. It also helps ensure humane working conditions and sustainable environmental practices, which renews hope for the millions in our world facing the ravages of hunger and oppression.

WorldCrafts provides a tangible way for missionaries to show and share about the Father's love. Purchasing a WorldCrafts product is an investment in shining light in dark places and helping individuals and families escape poverty and exploitation. World Fair Trade Day is observed each year on May 10. We will observe May 4. Shop at WorldCrafts.org

that they may
have life,
and have it
to the full.
