## PREPARING ROOM FOR MORE

For 21 years, we have been part of something bigger than ourselves.

What started in faith became a story only God could write. This past year, His faithfulness met us again. Clear. Undeniable. Full of promise.

The call of Jesus has not changed.  
Reach the lost.  
Heal the broken.  
Build the saints.

If anything, in this season, it has grown louder.

God is making room.  
Room for more people.  
More families.  
More life change.

As you read this report, you will see numbers. These are not statistics. They are testimonies.

Thank you for standing with us.  
For believing.  
For giving.  
For building in faith toward what's next.

You are the heart of this house. And the best is still ahead.

With gratitude and expectation,  
Derick & Jessica Amsler  
Lead Pastors

# SALVATIONS & BAPTISMS

In 2025, we saw so many people respond in accepting Jesus into their life throughout our in-person, online, kids, and youth experiences. 202 individuals took their next step to publically declare their faith in Jesus through water baptism. In the past two years, we have seen 382 people water baptized.

“I was in and out of foster homes. When I turned 13 years old, I realized Jesus had been with me the whole time. I want to be baptized to leave my old life behind and begin my new life with Jesus.”

- Cassandra

“I grew up in church but walked away from God when I went to college. After my marriage ended, I realized I couldn't do life on my own. I started attending church again with my family, and in June 2024 I experienced God's presence in a powerful way. I gave my life back to Him. I want to be baptized to show that Jesus has changed my life and I am committed to following Him.”

-Sam

# PRAYER PARTNERS

“I want to give thanks to God for His goodness and for answering prayers. I was facing uncertainty and worry, but He carried me through and provided peace. I recently received great news from a medical test, and I am grateful for His protection over my health. This experience has strengthened my faith and reminded me that He is always in control. All glory to Him!

- Eric

“God answered prayers to end my daughter’s addiction and bring her home!! He has done that AND restored our relationship. I now have both of my children and 4 grandchildren attending church with me! I am constantly in awe seeing how God is working in my life and if those around me! It’s all uphill from here!”

-Christine

“My son ate food today for the first time in months. He had been on a feeding tube and bedridden since January. AND during PT today he was able to stand with a walker, take a few steps, and March in place before getting exhausted and back to bed. Praising GOD, thanking you for your prayers and celebrating faith and GOD’S promises! Showing up & showing out! This momma is crying happy tears.”

- Dawn

# XR KIDS

What a year we had in XR Kids. God is moving! From salvations, to baptisms, to engagement in worship and overall experiences...it has been so exciting seeing God move in our XR Kids and seeing their faith journeys flourish! # WIDOWS MINISTRY

“Pure and genuine religion in the sight of God the Father means caring or widows and orphans in their distress ...”  
James 1: 27

With a compassionate heart for women who have experienced the loss of a spouse, the Widows Ministry provides space for support, connection, and care. Through regular gatherings, these ladies have formed meaningful relationships rooted in spiritual encouragement and emotional support. Many have continued to grow by serving on Sundays and engaging with Campus support, reflecting both healing and purpose.

The annual Widows Christmas Celebration is a highlight of the year honoring these women with a beautifully catered meal, thoughtful gifts, and meaningful fellowship. This luncheon serves as a tangible reminder that they are cherished, remembered, and deeply valued with our church family.
