

## Grand Commandery of Knights Templar of California

### Resolution No. 2020 – 03

The proponents of the resolution propose to amend section 318 of the Constitution of the Grand Commandery of California by raising the conferral fee for the Order of the Temple

**Whereas**, the fee for the Order of the Temple for candidates has, as far as can be determined for the past 15 years or longer, never been increased, and

**Whereas**, the Order of the Temple is the highest and most prestigious Order in the York Rite, and

**Whereas**, the cost of administering the conferrals has increased over the years, and

**Whereas**, it is fiscally necessary to bring the constitution into compliance with the cost,

**Therefore, be it resolved** that section 318 of the Constitution of the Grand Commandery of California be amended as follows:

#### **Section 318.**

The fee for each Order of the Temple conferred during the calendar year, payable with the annual return to the Grand Recorder, shall be ~~Fourteen (\$14.00)~~ *Twenty-Five (\$25.00)* Dollars.
