

Proposed legislation for Grand Commandery 2021 2

Whereas, at the Grand Sessions in 2019, the Grand Commandery voted to move the due date of per capita to "on or before April 1<sup>st</sup>"

And whereas Section 284 (2) B3 states that one of the duties of the Department Adjutant is to assist in making sure that the annual report and per capita are paid by January 15 and this should have been changed with the legislation in 2019.

Be it now resolved that that Section 284 (2) B3 be modified as follows

284 (2) B3 Annual Return and ~~with~~ per capita ~~by January 15<sup>th</sup>~~ when due.
